

The Board of Directors' proposal for establishing a long-term, performance-based incentive plan (LTIP 2015)

Background

The Board of Directors proposes that the Annual General Meeting resolve to establish a long-term, performance-based incentive plan (“**LTIP 2015**”) in respect of Group Management and a number of key employees of Lundin Petroleum AB (publ) (“**Lundin Petroleum**” or the “**Company**”), which follows the same principles as the long-term, performance-based incentive plan approved by the 2014 Annual General Meeting, as set forth below.

The primary reason for establishing LTIP 2015 is to align the interests of Group Management and other key employees with the interests of the shareholders, and to provide market appropriate reward reflecting performance and commitment. The Board of Directors also believes that the proposed LTIP 2015 will provide Lundin Petroleum with a crucial component to a competitive total compensation package to attract and retain executives who are critical to Lundin Petroleum’s on-going success. Participants in the LTIP 2015 will not be entitled to receive any new awards under any of the Company’s other long term incentive (“**LTI**”) plans in the same year.

The Board of Directors intends to propose to future Annual General Meetings to establish LTI plans based on principles corresponding to the currently proposed LTIP 2015. In order to be eligible to participate in such future LTI plans, each participant needs to build towards a meaningful shareholding in Lundin Petroleum, meaning that a certain portion of any allotted shares pursuant to LTIP 2015 (and any future LTI plans) shall be retained until the required level of shareholding has been met.

Implementation of LTIP 2015

The Board of Directors proposes that the Annual General Meeting 2015 resolves on the implementation of the LTIP 2015 in accordance with the terms and conditions set out below.

Terms and conditions

- (a) Awards under LTIP 2015 are proposed to be made to approximately 20 permanent employees of the Lundin Petroleum Group (the “**Participants**”), comprising the CEO and other members of Group Management as well as certain other key employees within the Lundin Petroleum Group. The Board of Directors may, within the total number of shares available under LTIP 2015, invite a limited number of additional Participants in LTIP 2015 following recruitment to the Lundin Petroleum Group.
- (b) LTIP 2015 gives the Participants the possibility to receive shares in Lundin Petroleum subject to uninterrupted employment and to the fulfilment of a performance condition over a three year performance period normally commencing on 1 July 2015 and expiring on 30 June 2018 (the “**Performance Period**”). The performance condition (the “**Performance Condition**”) is based on the share price growth and dividends (“**Total Shareholder Return**”) of the Lundin Petroleum share compared to the Total Shareholder Return of a peer group of companies (the “**Peer Group**”). At the beginning of the Performance Period, the Participants will, free of charge be granted awards (“**LTIP Awards**”) which, provided that i.a. the Performance Condition is met, entitle the Participant to be allotted, also free of charge, shares in Lundin Petroleum (“**Performance Shares**”) as soon as reasonably practicable following the end of the Performance Period.
- (c) The LTIP Award (i.e. the number of Performance Shares that a Participant may be allotted following the expiration of the Performance Period, provided that i.a. the Performance Condition is met) to be awarded to each Participant shall be calculated as follows:

LTIP Award = A multiplied by B divided by C, where

A is the Participant's monthly gross base salary applicable as at the date of grant of the LTIP Award;

B is a number of months as determined by the Board of Directors in respect of each Participant, taking into account such factors as industry benchmarking and the Participant's position within the Lundin Petroleum Group (but in any case, not exceeding 36 months); and

C is the average closing price of the Lundin Petroleum share on NASDAQ Stockholm for the three month period immediately prior to the Performance Period (the "**Initial Share Price**").

Fractions of Performance Shares shall be rounded-off to the immediate lower whole number.

Assuming a share price of the Lundin Petroleum share as of 1 April 2015 of SEK 118.40, the total number of Performance Shares that may be allotted under LTIP 2015 as at the date of award (assuming 100 per cent vesting) is approximately 800,000, corresponding to approximately 0.3 per cent of the current total number of shares and votes in Lundin Petroleum. Since LTIP Awards are intended to be awarded in July 2015 and the share price of the Lundin Petroleum share may fluctuate until the Initial Share Price is determined, and considering additional Participants (if any) following recruitment, the total number of Performance Shares under LTIP 2015 as at the date of award may not exceed 900,000.

- (d) Allotment of Performance Shares will be determined by the Board of Directors after the expiration of the Performance Period on the basis of LTIP Awards made and is conditional on (i) the Participant retaining his or her uninterrupted employment in the Lundin Petroleum Group until the expiry of the Performance Period and (ii) the Performance Condition having been met. The Board of Directors may reduce (including reduce to zero) allotment of Performance Shares at its discretion, should it consider the underlying performance not to be reflected in the outcome of the Performance Condition, for example, in light of operating cash flow, reserves, and health and safety performance.
- (e) A minimum and a maximum level for the Performance Condition to be fulfilled have been established by the Board of Directors. In order for the LTIP Awards to give entitlement to the maximum number of Performance Shares, the maximum level for the Performance Condition must have been fulfilled. The Performance Condition calculation will be made based on a comparison of Total Shareholder Return of the Lundin Petroleum share to the Peer Group, comparing the period of three months prior to the commencement of the Performance Period with the period of three months prior to the end of the Performance Period. The LTIP Awards will vest based on the comparative Total Shareholder Return of the Lundin Petroleum share, on a straight line basis from no vesting at the 37.5th percentile performance (or below) to 100 per cent vesting at the 75th percentile performance (or above). The Performance Condition calculation will be performed by the Board of Directors. Lundin Petroleum intends to present the level of fulfilment of the LTIP 2015 Performance Condition in the 2018 Annual Report.
- (f) The Participants will not be entitled to transfer, pledge or dispose of the LTIP Award or any rights or obligations under LTIP 2015, or exercise any shareholders' rights regarding the LTIP Awards during the Performance Period. Any cash dividends declared and paid by the Company during the Performance Period will be accumulated and paid to the Participant, following and to the extent of vesting of the Performance Shares.
- (g) Shares allotted under LTIP 2015 (or any future LTI plans) shall be subject to certain disposition restrictions meaning that the Participants shall be building towards a meaningful shareholding in Lundin Petroleum. The required level of shareholding will be either 50 per

cent or 100 per cent (200 per cent for the CEO) of the Participant's annual gross base salary based on the Participant's position within the Lundin Petroleum Group. Notwithstanding this requirement, the Company may pay part of the allotment of Performance Shares in cash in order to facilitate the payment of the Participant's tax liabilities. However, a minimum of 50 per cent of the allotted Performance Shares (after taxes and social security charges) under LTIP 2015 will be required to be retained until the required level of shareholding has been met.

- (h) Recalculation of the Performance Condition and the LTIP Awards, including the number of Performance Shares allotted, shall take place in the event of an intervening dividend in kind, bonus issue, split, preferential rights issue and/or other similar corporate events.

Structure and administration

The Board of Directors of Lundin Petroleum will be responsible for the structure and administration of LTIP 2015, as well as for the detailed terms and conditions applicable between Lundin Petroleum and the Participants. The detailed terms and conditions will be adopted within the scope of the terms and conditions and guidelines stated herein. In connection therewith, the Board of Directors will be entitled to adopt different terms and conditions for LTIP 2015 regarding, among other things, the Performance Period and allotment of Performance Shares in the event of commencement or termination of employment during the Performance Period, e.g. due to new recruitments, illness, disability, death, redundancy, contractual retirement and other exceptional circumstances determined by the Board of Directors.

The Board of Directors will be entitled to make adjustments in order to comply with special rules or market conditions abroad. In the event delivery of Performance Shares to Participants cannot take place under applicable law or at a reasonable cost and employing reasonable administrative measures, the Board of Directors will be entitled to decide that Participants may, instead, be offered a cash settlement. In the event of a change of control, the vesting of any LTIP Awards under LTIP 2015 will be accelerated, based upon performance up to such time.

Peer Group

The Board of Directors has determined that the Peer Group shall consist of the following companies: Afren, BP, Cairn Energy, Det Norske Oljeselskap, EnQuest, Oil Search, OMV, Ophir Energy, Premier Oil, Repsol, Santos, SOCO International, Statoil, Total and Tullow Oil. The Board of Directors shall have the power to amend the Peer Group in order to maintain a representative and relevant group of companies during the Performance Period.

Delivery of shares, costs etc.

The LTIP Awards entitle Participants to acquire already existing Lundin Petroleum shares. To ensure delivery of the required number of shares under LTIP 2015, the Board of Directors will consider means to secure the Company's commitment. One method would be to enter into an equity swap agreement with a third party on terms in accordance with market practice, whereby the third party in its own name shall be entitled to acquire and transfer shares in Lundin Petroleum to the Participants. The Company further holds 2,000,000 own shares, which mitigate the Company's financial exposure under LTIP 2015.

The LTIP 2015 will be accounted for in accordance with the accounting standard IFRS 2 and the costs will be charged to the income statement over the Performance Period.

The maximum cost for granting LTIP Awards under LTIP 2015 (assuming 100 per cent vesting), excluding costs related to delivery of the Performance Shares, is approximately USD 11.1 million (approximately SEK 96.0 million), excluding social security charges. The maximum cost for social security charges is estimated to be approximately USD 1.3 million (approximately SEK 11.6 million) assuming 100 per cent vesting and an annual share price increase of 10 per cent during the Performance Period.

Effects on key figures

Under the assumptions set out in item (c) above and upon full allotment of Performance Shares, the number of shares under LTIP 2015 amounts to approximately 800,000 shares in Lundin Petroleum (subject to final determination of the Initial Share Price), corresponding to approximately 0.3 per cent of the current total number of shares and votes in the Company. LTIP 2015 is expected to have only marginal effects on Lundin Petroleum's key figures.

Preparation of the proposal

The proposal for LTIP 2015 has been prepared by the Compensation Committee and resolved on by the Board of Directors.
